

Vida Ayurvedic Treatments

Many of our treatments are based on the principles of Ayurveda, a 5,000-year old system of holistic Indian medicine. According to this philosophy, the key to a long and healthy life is achieving a balance between body, mind and spirit. Ayurvedic treatments work from the inside out to bring your dosha (personality) into perfect harmony so you can enjoy perfect health.

Body Wraps and Exfoliations

Our exfoliations use warm sea salt and a customized blend of warm oil to remove dry skin and improve circulation. Body wraps begin with an exfoliation and are followed by a full-body shea butter mask application. As your mask penetrates, enjoy a relaxing scalp massage. After a warm shower and depending on length of treatment booked, you have the option of a cream application to seal in moisture and nutrients or a classic massage.
